Workbooks and copies that your child has written into, may be kept by you and disposed of as you wish.

You will receive a Book List in June, detailing all the books/copies/ stationery your child will use during the year.

Parents/Guardians of Infants (Junior & Senior) will not need to purchase any supplies for their child. Books, copies, folders and stationery will be provided by the class teacher at the beginning of the school year.

Parents/Guardians of children in 1st to 6th class will only need to provide the items in the yellow box on the Book List.

All other textbooks, workbooks, copies and folders (in the grey box) will be provided by the school and your child will receive these on return to school at the end of August.
